MAXIMUM  
CONCENTRATION  
IN MINIMUM SPACE

# INNOVATIVE CLEANING SYSTEM

**KLINBAG** is a system of powerful, ultra-concentrated products for all areas, from automatic dishwashing to kitchen and general cleaning. It has been developed for small and medium capacity machines.

The innovative exclusive bag design is the only one of its kind on the market and fits even in tight spaces that are difficult to access. **KLINBAG** does not require a costly installation and it optimises the features of smaller systems.

- ✓ FOR MEDIUM AND SMALL MACHINES
- ✓ IN TIGHT SPACES
- ✓ SIMPLE AND LOW-COST INSTALLATION
- ✓ BAG FORMAT
- ✓ 3.5 L CONTAINER
- ✓ ULTRA-CONCENTRATED PRODUCTS

# KLINBAG, CONCENTRATED BENEFITS

## SAVINGS

### **EASY INSTALLATION**

*Begin using the system right away and with a minimal start-up cost.*

### **COST CONTROL**

*Minimum essential consumption thanks to the dosage system and the product's concentration.*

### **ZERO WASTE**

*The dosage system makes the most of every last drop.*

### **LESS INVENTORY**

*The ultra-concentrated product eliminates unnecessary inventory and lowers logistics costs by up to 75%.*

## CONVENIENCE

### **3.5 L BAG FORMAT**

*Easier to transport, connect and use.*

### **FOR TIGHT SPACES**

*Klinbag can be installed in any nook.*

### **FOR SMALL AND MEDIUM MACHINES**

*An ideal solution for this type of equipment.*

### **3 INSTALLATION OPTIONS**

*Choose the alternative that best fits your needs.*

### **EASY TO USE**

*Simply fasten the bag to the mount and then connect the container to the dosage equipment with just one click.*

## SAFETY

### **ZERO CONTACT**

*The user never touches the product, thereby preventing injury.*

### **ZERO CONFUSION**

*The Klinbag system features colour-coded tracking.*

### **HANDLING**

*Lightweight bag that complies with workplace safety and hygiene regulations.*

### **CLEAN AND TIDY**

*All of the containers are arranged on a mount, making it easier to keep things clean and tidy.*

## SUSTAINABILITY

### **LESS WASTE**

*Reduces waste by up to 95%.*

### **MORE PROTECTION**

*Based on the Green Efficiency concept, the Klinbag system guarantees the product's effectiveness whilst protecting the environment and the health of users.*

# INSTALLING AND USING KLINBAG: IT'S A CINCH

*KLINBAG* has three fastening systems for you to choose the one that best suits your business. **The results are amazing: organisation, convenience and cleanliness in tight spaces**, and without a complex installation.

Each **KLINBAG** bag has holes so it can be easily hung from the selected mount, along with a connector for supplying the product dose directly to the dishwasher. Not only is the system easy to install, but it is designed so bags can be replaced quickly and conveniently.

## **HYGIENE & HOUSEKEEPING**

Your environment is part of your brand identity, it breathes through every pore of your universe. Taking care of it is crucial. That's why, aware of the needs of everyday life, we have developed and perfected a wide and powerful range of products for the comprehensive cleaning of rooms, commercial premises, floors and much more.

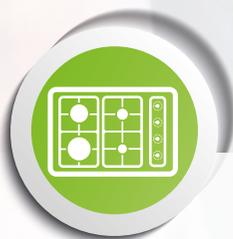

> **Highly adaptable:** floors, bathrooms, windows, etc.

> **High disinfecting power and fast rinsing.** Shiny effect, without residues or marks.

> **Pleasantly scented** products with protective capacity.

> **Solutions** registered as **Biocides** by the Ministry of Health and Consumer Affairs.

## FOOD & CLEAN

Nítida provides you with cutting-edge products that complete the comprehensive cleaning process required by kitchens.

All of this in compliance with the corresponding Technical-Sanitary Regulations and in line with the criteria of environmental awareness and risk prevention.

- > **Products** specifically formulated to **quickly** and **completely remove** traces of carbonized grease or other dirt.

- > **Solutions** registered as **Biocides** by the Ministry of Health and Consumer Affairs.

- > Prevention and elimination of microbial contamination.

## AUTOMATIC DISHWASHING

### OUR DETERGENTS

- > **Powerful emulsifier effect** for removing **grease** at lower pH levels thanks to the synergistic surfactant mixture.

- > **Target even the toughest stains:** coffee, wine and starch.

- > **Include sequestrants** for water with high salt levels and ferric compounds.

- > Extend the life of **dishes and glassware**.

- > Prevent the build-up of **limescale deposits**.

- > Contain **effective corrosion inhibitors**.

- > Keep machines in **perfect condition**.

### OUR BRIGHTENERS

- > Help dishes and glassware **dry quickly and uniformly**.

- > **Add shine** and help keep glass, porcelain and other materials looking clear.

- > Target **limescale build-up**.

- > Prevent **water spots**.

- > **Crystal clear** glassware.

- > **Suitable for the final rinsing step** of automatic dishwashers.
