KLINBOX, CONCENTRATED BENEFITS

SAVINGS

COST CONTROL

Minimum essential consumption thanks to the dosage system and the product's concentration.

ZERO WASTE

The application system makes the most of every last drop.

LESS INVENTORY

The ultra-concentrated product eliminates unnecessary inventory and lowers logistics costs by up to 75%.

CONVENIENCE

10 L CHEERTAINER FORMAT

The lightweight container makes it easy to transport, connect and use.

READY TO USE

It's as easy as opening the tab and connecting the container to the dosage system with just one click. Simply open and it's ready!

KEEP EVERYTHING CLEAN AND TIDY

An ideal solution. All of the containers are arranged on a mount, making it easier to keep things clean and tidy.

SAFETY

ZERO CONTACT

The user never touches the product, thereby preventing injury.

ZERO CONFUSION

The Klinbox system features colour-coded tracking.

SAFER HANDLING

The lightweight containers comply with workplace safety and hygiene regulations.

SUSTAINABILITY

LESS WASTE

Reduces waste by up to 95%.

MORE PROTECTION

Based on the Green Efficiency concept, the Klinbox system guarantees the product's effectiveness whilst protecting the environment and the health of users.

Klinbox also has an eco-friendly range called Nítida Green that features products certified with the European Ecolabel.

AS SIMPLE AS IT LOOKS

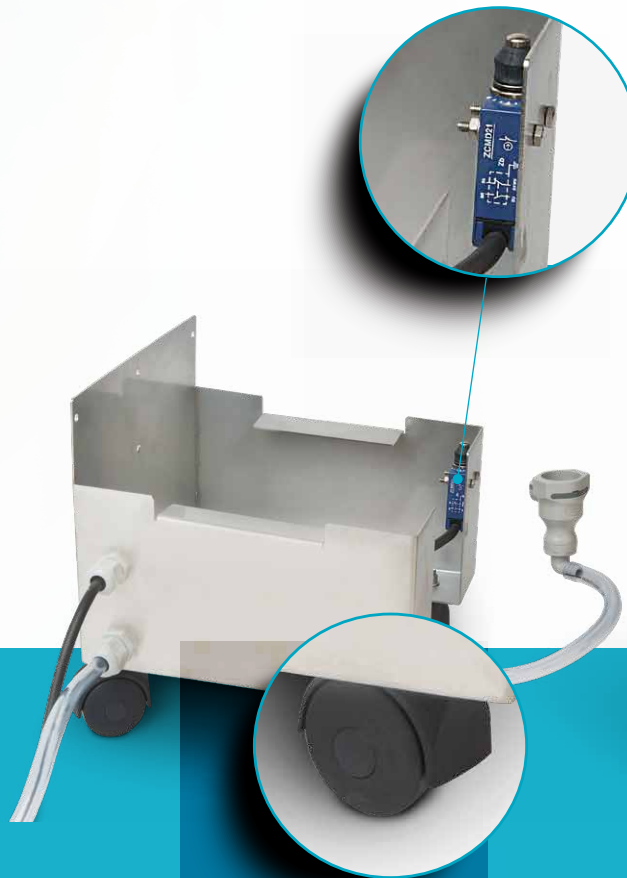

Getting started with **KLINBOX** is simple. Quick and easy to install, **Nitida sets up the advanced cleaning system** so it is ready to use anywhere. After using it, replacing empty containers with new ones is very convenient thanks to the click system and colour codes.
