

READY TO USE.
READY TO KLIN.

THE CLEANING YOU NEED,
WHEN YOU NEED IT

nítida

INSTRUCTIONS FOR USE

Fill the container with water

Screw on the capsule and allow the product to pour in

Attach the spray nozzle and it's **¡ready!**

TRANSFORM WATER INTO AN ULTRA-CONCENTRATED SOLUTION WITH A SINGLE KLIN

An innovative and safe system that allows you to create a top product using ultra-concentrated refills. The world of hygiene goes one step further with KlinCap to make everything easier, safer and more precise.

Its practical and convenient design is perfect for any situation. The effective, water-soluble capsules create less waste and are ready for use immediately.

READY FOR SAVINGS AND CONVENIENCE

Exact and precise

A **single 50-ml dose** is stored inside a cap that, upon twisting it onto the bottle, creates the perfect combination for **precise cleaning**.

Zero waste

This system is **extremely easy to use**, with zero waste.

Adjustable dosage based on your needs

Different types for different situations. **Use what you need, when you need it.**

No maintenance. No investment. No installation.

Ready at any time, without having to worry about anything else.

Transportable

Ready to use, anytime and anywhere.

READY IN SUSTAINABILITY

- Fewer CO² emissions
- Lower power consumption for its production
- Less water consumption and fewer bottles for its end use
- Made using materials that comply with ECOLABEL regulations
- 100% recyclable polyethylene packaging

READY IN SAFETY

- No contact
- No splatters
- No errors - colour coded
- No product transfers
- Certified capsules for food-grade use
