LUNA 2.0 paperBOY

Dispenser never empty

With its 1/4 roll reserve, the paper never runs out. The inspection window shows how much paper is still left.

Clean and tidy

No need to store reserve rolls in the room. Say goodbye to reserve rolls on the floor, wall projections or the wash basin!

Service made easy

A multiROLL replaces up to four typical rolls of toilet paper. The dispenser can be opened and refilled without a key.

Top quality for the discerning hotel guest
